MEMORANDUM FOR: DCI

Regarding tomorrow's Cabinet meeting, I asked Maury Lipton's people and [redacted] people to check with OMB to find out more precisely the subject of tomorrow's meeting. [redacted] Maury's deputy, was informed that the Cabinet will be asked to review the OMB report on the status of the economy and its impact on the 82 and 83 budgets--a report required to go to Congress next month. In essence, the information to be discussed is on the macro level and is not expected to go into the NFIP. As a consequence, there is nothing that I can provide you in preparation for the meeting. According to the Cabinet Office, the paper will not be circulated before the meeting. If I learn any more about the meeting I will let you know.
